Mock Up

Tools Needed

- Adobe Suite. Illustrator, Photoshop
- Short Sleeve Template File (Use Template file for correct garment Chosen by Customer)
- Freetone Pantone Colors

Artboard Setup

- Use Template File
- Work in Inches
- Use Freetone Pantone Colors

Step 1 – Place the Design on Art Layer

Step 2 – Scale the logo using width. Standard 11.5", Large 12", Circles 9", Left Chest 4", left chest circle 3.25"

Step 3 – Use the placement layer to align design on mock up.

Step 4 – Hide placement layer

Step 5 – Save as Mock.jpeg to the customer folder. Save as 1000 pixels wide.
